

Nonprofit Organization Profile Form Template

All questions are optional. Follow each question's directions.
Write your answers to the open questions in the space provided.

Please answer on behalf of an organization you are authorized to represent. Describe its current work and possible collaboration during the next six months. Every question is optional. Do not include client information, private financial records, or personal contact details. Submitting a profile does not commit your organization or authorize public directory publication.

1. What is your organization's public name?

2. What is the main program or service you want potential partners to understand?

3. Which communities or geographic areas does that program serve?
