

Supply Chain Assessment Survey Template

All questions are optional. Follow each question's directions.
Write your answers to the open questions in the space provided.

Use these questions for one named supply chain and define key terms before sharing.
Every field is optional. Include "not sure" and "not applicable" so respondents are not forced to guess about systems, suppliers or contingencies they do not know.

1. During the past 12 months, how many significant disruptions affected the named supply chain?

- ☐ None
- ☐ 1
- ☐ 2
- ☐ 3 or more
- ☐ Not sure
- ☐ Not applicable

2. Which part was most affected by the most significant disruption?

- ☐ Supplier availability
- ☐ Transportation or delivery
- ☐ Inventory
- ☐ Production or service operations
- ☐ Data or systems
- ☐ Sudden demand change
- ☐ Another part
- ☐ No disruption
- ☐ Not sure
