From category to action

FIVE-STEP WORKFLOW

- Start with one decision or learning goal, not a loose list of questions.
- Choose the audience segment that can answer from real experience.
- Use closed questions for comparison and open-ended questions for context.
- Group answers by patterns such as needs, objections, behaviors, and priorities.
- Turn the strongest pattern into an improvement, test, message, or follow-up survey.

QUALITY CHECKLIST

- Can someone act on the finding without reading every raw response?
- Do you know which audience group the finding applies to?
- Does the result connect back to the original decision?
